

Ms. Ward

Children's House, Montessori Lead Guide

Ms. Chelsea Ward is a passionate Montessorian at heart. She began her Montessori journey at the age of four in the Children's House and continued through the age of fifteen in the Elementary and Adolescent programs. After completing her A.M.I. certification at Montessori

Northwest in Portland, Oregon, she returned to Georgia as a Lead Guide at her own childhood Montessori alma mater, where she enjoyed raising their Primary community.

Ms. Ward is thrilled to be our Children's House Lead Guide at Maylan International Academy.

Ms. Ward holds a Bachelor's in Applied Linguistics from Georgia State University, where she also received her TEFL certification and a minor in Japanese. At the graduate level, Ms. Ward completed her Master of Education in Teaching English to Speakers of Other Languages (TESOL) and World Language Education.

As a teacher, Ms. Ward has worked with children from the YMCA Little School Program, supporting Spanish-English dual immersion, and with ECDC Head Start, where she designed and taught their first and only Japanese Summer Enrichment Program.

Ms. Ward is delighted to bring her passion and love of learning to Maylan International Academy as our Children's House Lead Guide!
