

Ms. Iulia

Toddler Community, Montessori Lead Guide

Ms. Iulia interests in the Montessori methodology developed when her daughter was born, observing her flourishing within an authentic Montessori prepared environment. This led her to pursue early childhood education and complete her training for the Assistants to Infancy program, ages (0-3years) with A.M.S. (American Montessori Society.)

Ms. Iulia is our Toddler Community Montessori Lead Guide. Daily she beautifully exhibits her passion for the authentic Montessori pedagogy. She has numerous years of teaching experience, which is reflected by her loving, and endearing personality. She graciously soothes new toddlers, in her peaceful environment, and quickly earns the trust and confidence of new parents.

She enjoys reading, crafting, and spending time outdoors with her family, (her daughter Sophia and her husband Liviu). One of Ms. Iulia's favorite quotes by Dr. Maria Montessori is, "Of all things, love is most potent."
